The Financial Aid Process at TMC

1. Complete the FAFSA online at <https://studentaid.gov/h/apply-for-aid/fafsa>
2. Be sure to enter our school code so your FAFSA information is sent to us directly.
 - The Thomas More College of Liberal Arts code = 030431
3. The Financial Aid Office receives your FAFSA information and notifies you if you have been flagged by the government for verification or if we require more information.
4. If you are a male and a U.S. citizen aged 18 or older, you must provide proof of your Selective Service Registration. You may register and print the required document at <https://www.sss.gov/> .
5. Once you have been accepted to the college, and any necessary verification paperwork has been completed, the Financial Aid Office begins the process awarding your financial aid package.
6. You are notified via email of your financial aid award.

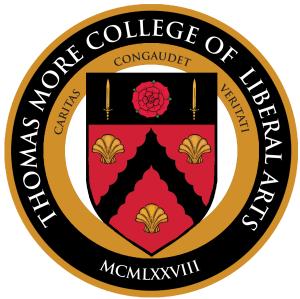

Common Questions/Concerns

What is the FAFSA? Why do I have to give so much information to the government?

- If you have filed taxes, have a bank account, have a driver's license, etc., the government already has all the information you'll be providing on the FAFSA. The purpose of completing the FAFSA is to determine how much financial aid a student qualifies for, including both need-based and non-need-based aid. It determines eligibility for federal need-based grants including the Pell Grant and Federal Supplemental Educational Opportunity Grants (FSEOG); subsidized federal student loans, which are based on need; unsubsidized federal student loans, which most students qualify for regardless of need; federal work-study; state-based financial aid, including grants, scholarships, and loans; school-based financial aid, including need-based grants and scholarships, and school-based merit aid (since many schools require the FAFSA to be on file before any aid awards are distributed). By completing and submitting the FAFSA, TMC can award the student need-based aid, non-need-based aid, and merit scholarships. Completion of the FAFSA, or the International Student Financial Aid Application for international students, is required to receive any type of aid from Thomas More College.

What is SAI?

- SAI = Student Aid Index. The SAI is an evaluation of the financial resources that may be available to contribute towards a student's educational expenses.

Common Questions/Concerns (continued)

What is Cost of Attendance?

- Cost of Attendance includes Tuition, Food & Housing (Living Expenses), Books & Supplies, Transportation, and Personal Expenses.
 - **Direct costs** are Tuition, Food & Housing, and Fees. These items will appear on your bill.
 - **Indirect Costs** are Books & Supplies, Transportation, and Personal Expenses. These will not appear on your bill but are estimated costs associated with going to college and should be included in your budget.

What is Financial Need?

- Cost of Attendance (COA) - the Student Aid Index (SAI) - Other Financial Assistance = Financial Need

Students must notify the TMC Financial Aid Office of any outside aid (scholarships, grants) that they will be receiving. If a student notifies the Financial Aid Office after he/she has already been awarded, the award may be subject to change, based on the new information.
